

Kendra

As a single mother of three, I have learned the value of perseverance, responsibility, and hard work. I am currently pursuing a degree in Criminal Justice because I am passionate about serving my community and making a positive difference in the lives of others. Balancing school, work, and raising my children has strengthened my determination to succeed. Receiving this scholarship would help ease the financial burden of my education, allowing me to stay focused on achieving my academic and career goals while providing a better future for my family. I am committed to completing my degree and using my education to make a meaningful impact in my community.
